

# ARCADIAS CONFERENCE 2026

This conference has a dual focus: maintaining scientific standards while actively involving industry experts.

This ensures that research moves beyond conferences into practice, generating richer empirical insights and real-world impact. This structured exchange supports research partnerships beyond the event.

## WHEN SCIENTIFIC STANDARD MEETS INDUSTRY PRACTICE

### RESEARCH & INDUSTRY EXCHANGE

- Collaboration with Leading Companies, Industry Experts & Partner Institutions
- Roundtables on Science-to-Industry Application
- Expert Interviews & High-Level Networking even after the Event

### JOURNAL & PUBLISHING SUPPORT

- METAS 01/26 – Modern Economic Trends and Science (Peer-Reviewed Journal)
- Conference Proceedings
- Book of Abstracts
- Academic Certificates & Excellence Awards

### WORKSHOPS & SKILL BUILDING

- Future Trends & Innovation (AI & ESG)
- Strategic Leadership & Management
- Agile & Excellence Methods (Scrum · Six Sigma · Design Thinking)

**22nd - 26th JUNE 2026  
TOKYO-GERMANY-ONLINE**

THE CONFERENCE COMMITTEE IS COMPOSED OF DISTINGUISHED RESEARCHERS AND INDUSTRY EXPERTS TO ENSURE APPLIED RESEARCH

### CALL FOR PAPERS

INVITING HIGH-QUALITY ACADEMIC AND INDUSTRY-RELEVANT RESEARCH CONTRIBUTIONS AS FULL PAPERS, ABSTRACTS, OR PRESENTATIONS UNDER
